For startups 50% OFF

Private Software Development Companies that have been in business for 3 years or less, qualify for a 50% discount off of commercial licenses for ReSharper and all other JetBrains products. The discount is valid for up to 10 licenses per product.

For students and teachers FREE

Students and teaching staff members are eligible to use all JetBrains tools for free upon verification based on domain or ISIC card.

For education and training FREE

Classroom licenses allow for use of the fully-functional version of ReSharper for educational and teaching purposes in classrooms by professors, trainers, and students.

For Open Source projects FREE

Non-commercial Open Source projects can qualify for free licenses to ReSharper and other JetBrains tools provided that they meet a set of simple criteria.

APPLY FOR FREE PRODUCTS

Następnie dostajemy maila z linkiem do potwierdzenia, że założyliśmy konto.
I robimy wszystko jak każą, czyli hasło etc. Pobieramy ReSharper(chyba, że już pobrany).

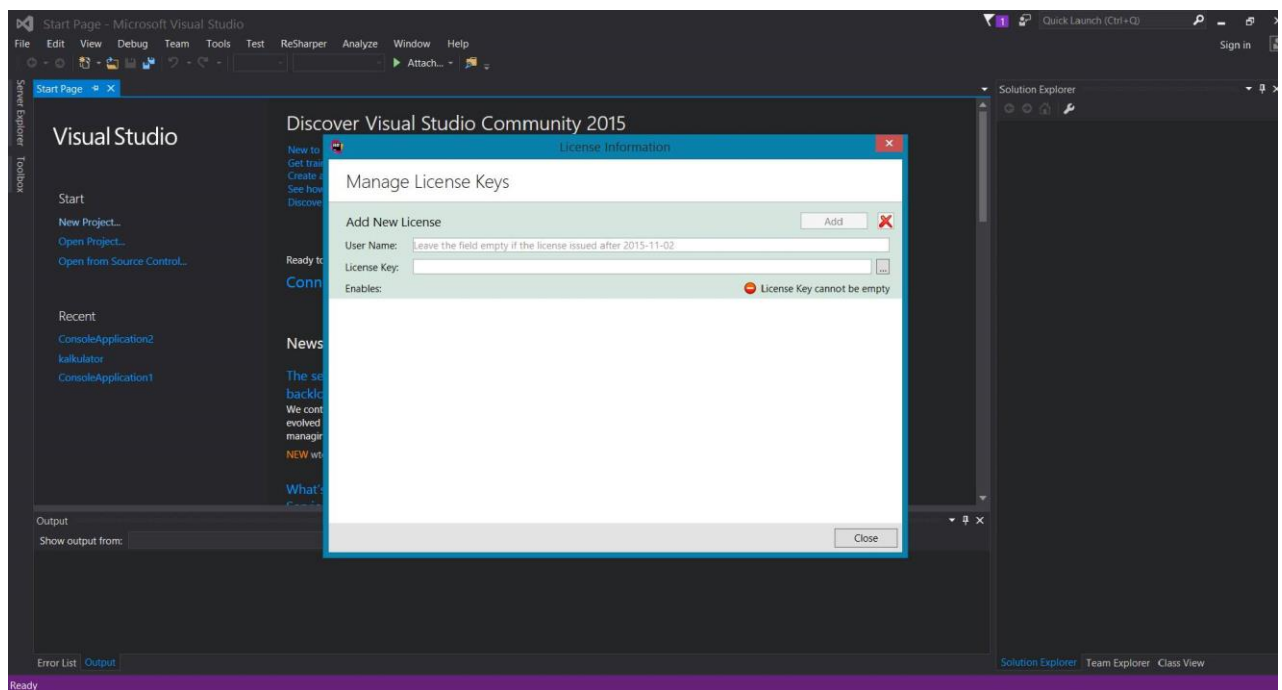

No i odpalam Visual'a.

WYBIERAMY OPCJĘ, KTÓRĄ POTWIERDZIMY NASZĄ LICENCJĘ, ZAZNACZAJĄC PRZY NIEJ HACZYK.

lub

Tutaj dwie opcje: albo wpisujemy kod licencji ze strony albo ściągamy .txt i wykorzystujemy znaczek „...” (żeby to zrobić trzeba się zalogować na swoim wcześniej utworzonym koncie i wybrać zakładkę Licenses)
